SCHOOL AND COMMUNITY

Fairfield Middle School originated as Fairfield Junior High School in 1957. We are a campus-style school consisting of eighteen separate buildings connected by open walkways and grassy areas.

ACADEMIC SCHOOL CHARACTERISTICS:

Fairfield Middle School is an authorized International Baccalaureate World School offering classes to 6th, 7th and 8th grade students. Fairfield Middle School operates on a block schedule with an alternating A Day and B Day. All students take eight classes, four classes on each day. Sixth and seventh grade students take English, math, math enrichment, science, social studies, reading, health/PE and two electives. All eight graders take English, math, math enrichment, science, social studies, reading, health/PE and two electives.

FACULTY AND STAFF:

The administrative team consists of the principal, an associate principal and two assistant principals. There are 71 teachers who provide instruction in core, elective, gifted, and exceptional education classes. The School Counseling department has three full-time school counselors, one part-time counselor, a registrar, and is supported by a social worker and psychologist.

There are two types of honor roll reports: All A, which requires a student to earn all course grades of "A" and Honor Roll, which requires a student to earn a "B" average in all courses taken. Honor roll reports are generated at the end of each marking period, each semester, and at the end of the year. Certain letter grades (D, F, U, S, or P) exclude students from "Honor Roll" or "All A" reports. Courses such as SOL Enrichment, .25 middle school courses and Study Block are not figured into any honor roll calculation. Letter grades of I or N are flagged for consideration at the school level.
