| Subscriber Only  | \$21.90                   | \$26.28                   | \$10.95                   | \$13.83                   |
| Subscriber + 1   | \$39.60                   | \$47.52                   | \$19.80                   | \$25.01                   |
| Subscriber & Family  | \$62.14                   | \$74.57                   | \$31.07                   | \$39.25                   |
| <b>DELTA CARE DHMO</b>   |                           |                           |                           |                           |
| Subscriber Only  | \$18.16                   | \$21.79                   | \$9.08                    | \$11.47                   |
| Subscriber + 1   | \$30.24                   | \$36.29                   | \$15.12                   | \$19.10                   |
| Subscriber & Family  | \$40.82                   | \$48.98                   | \$20.41                   | \$25.78                   |
| <p><b>*PLEASE NOTE:</b> The 10 pay and 19 pay rates assume the employee works the entire school year (September through June). If the employee begins work after the start of the school year, further adjustments will be necessary in order to have 12 months of coverage.</p> |                           |                           |                           |                           |
