

WORKER'S COMPENSATION PANEL OF PHYSICIANS FOR HENRICO COUNTY AND HENRICO COUNTY PUBLIC SCHOOLS

If you wish medical care related to an on-the-job injury to be considered for payment by Workers' Compensation, you must seek medical care from one of the physicians listed below. (Please have the name and telephone number of your supervisor available for the Receptionist). In case your Workers' Compensation claim is denied, the list includes information showing alternative coverage by our participating Health Insurance provider. This form must be signed, even if you do not seek medical treatment. If you select treatment by your personal physician rather than choosing from the Panel, you must pay any expense incurred.
