Program Information

Bus transportation is provided from the **home school sites** except sites where program being hosted. **Check website for detailed transportation information two-weeks prior to the beginning of the program.** There is no cost for the program. If you register your child by the due date, this guarantees their participation, as you **will not receive any confirmation information.**

Week 1: Work Keys Business Writing only: July 9 – July 12

Students receive Work Keys Business Writing test prep and testing. Offered to students who passed English 10, but failed/missed the EOC *SOL* test to earn the verified credit for the course. Students receive remediation Monday-Wednesday, July 9 – July 11. Testing is scheduled for Thursday, July 12.

Week 2: Non-Writing EOC, Work Keys Reading, and Edgenuity: July 16 – July 19

Offered to students in grades 9 – 12 for remediation of core subjects and testing. This is for students who have passed the course, but failed/missed the associated EOC *SOL* test, or transfer students who need to earn the verified credit for a course. Refresher Courses are available for the following subjects: Algebra I, Geometry, English 11 (Work Keys Reading), Earth Science, Biology, World History I, VA/US History, and Economics and Personal Finance (WISE). Edgenuity (online tutoring) is available for the following subjects: Algebra II, Chemistry, and World History II. Students receive remediation Monday-Wednesday, July 16-July18. Testing is scheduled for Thursday, July 19. **Exception**, Edgenuity students receive tutoring Monday-Thursday, July 16-19, and will test the following week – Algebra II (Wednesday, July 25), Chemistry (Tuesday, July 24), and World History II (Monday, July 23). Testing will begin at 9:00 AM.

Week 3: Non-Writing EOC: July 23 – July 26

Offered to students in grades 9 – 12 for remediation of core subjects and testing. This is for students who have passed the course, but failed/missed the associated EOC *SOL* test, or transfer students who need to earn the verified credit for a course. Refresher Courses are available for the following subjects: Algebra I, Geometry, Earth Science, Biology, World History I, VA/US History, and Economics and Personal Finance (WISE). Students receive remediation Monday-Wednesday, July 23-July 25. Testing is scheduled for Thursday, July 26.
