

END OF COURSE SOL AND FINAL EXAM EXCHANGE

ALL schools in Henrico County will be using the following scale for the final exam of courses identified as End of Course assessed courses. The EOC SOL test score correlates to an exam grade for the course. A student can accept the exam grade based on the EOC SOL score or choose to take the final exam. If no EOC SOL score is available by the time an exam participation decision needs to be made, the senior exam exchange policy, which considers course grade and attendance, will be applied to the students/courses with missing EOC SOL scores.

The scale that will be used is as follows:

EOCSOL Score	Points on Final Exam
400 – 410	70
411 – 420	73
421 – 430	75

SENIOR EXAM EXEMPTION

Grade Criteria:

- 1) The senior must have a cumulative course average of at least 85 when grades and other specified criteria are compiled to determine exam exemption near the close of the fourth nine weeks.
- 2) The senior must maintain a minimum fourth nine-week average of 85 in the course to be exempted.

Attendance Criteria

- 1) The senior cannot have been absent from the class more than ten times during the school year (semester class - not more than five times). Religious holidays and school-related absences (field trips, SODA, athletics, documented college visits, etc.) do not count within those absences.

- 2) Three unexcused tardies to class equals one absence as related to the exam exemption criteria. Six unexcused tardies to an individual class eliminates the student from exam exemption eligibility in that class.
- 3) **Six unexcused tardies to school immediately removes the senior from eligibility for exemptions.**
- 4) The senior must attend at least 75% of a class in order to be counted present in that class as related to exam exemption eligibility.

Integrity Criteria

- 1) Any integrity violation which results in disciplinary action removes the student from eligibility.
