SCHOOL AND COMMUNITY PROFILE

Deep Run High School is one of nine high schools in Henrico County Public Schools. The Deep Run High School zone is located in the suburban West End of Henrico County. Deep Run High School has a population of approximately 1,600 students in grades 9-12. The faculty consists of approximately 135 teachers, five school counselors, and five administrators. Deep Run houses the Center for Information Technology consisting of approximately 160 students and six faculty members. Students at Deep Run also enjoy opportunities available at HCPS' two Advanced Career Education Centers.

ACADEMIC CHARACTERISTICS

The school year is divided into two semesters. A semester is 18 weeks with two nine-week reporting periods. Seven classes meet every Monday for 45 minutes and for 90 minutes on alternating days. In addition to the seven classes, there is a shorter study/activity period. The curriculum offers a variety of college-prep, honors courses and Advanced Placement courses as well as a variety of electives in business, marketing, family and consumer sciences, technology education, fine arts and the general academic areas.

Specialty Center: Center for Information Technology

The Center for Information Technology (CIT) provides a rigorous, four-year curriculum for secondary students in information technology. The emphasis of the program is on teamwork, communication skills, and problem solving. CIT students take courses from the comprehensive high school curriculum, in addition to honors-level IT courses and honors-level mathematics courses focusing on information technology.

GPA and CLASS RANKING

Class rank and grade point average are determined by the levels of courses taken and the grades earned in those courses. Grades earned in courses completed in middle school that were awarded a high school credit will not be computed as part of the high school cumulative GPA. High school courses completed during the summer before entering ninth grade will be included in the GPA. Students are ranked numerically in ascending order, according to GPA, at the end of the junior year and at the end of first semester of the senior year. Students who are earning either a Standard or an Advanced Studies diploma are included in class rank. Beginning with the class of 2017, total grade points include an additional 0.5 quality point for any Honors course and a 1.0 quality point for any AP/dual enrollment course taken.
