There are two types of honor roll reports: All A, which requires a student to earn all course grades of "A" and Honor Roll, which requires a student to earn a "B" average in all courses taken. Honor roll reports are generated at the end of each marking period, each semester, and at the end of the year. Certain letter grades (D, F, U, S, or P) exclude students from "Honor Roll" or "All A" reports. Courses such as S.O.L. Enrichment, .25 middle school courses and Study Block are not figured into any honor roll calculation. Letter grades of I or N are flagged for consideration at the school level.
