ELEMENTARY SUMMER ACADEMY 2017

Registration begins on April 3, 2017 and ends June 13, 2017 • No Friday Classes

ENRICHMENT CLASSES: Session One - July 10 - July 20, 2017  |  Session Two - July 24 - August 3, 2017  
8:00 a.m. - 12:30 p.m.  |  Monday - Thursday

We hope you will share our enthusiasm for the Elementary Summer Academy 2017. It can be your child’s link to enrichment, exploration, and excitement. If you elect to have your child participate in one of our programs, please register early as space is limited. Return your completed registration form and check (made payable to your home-base school) to your child’s school no later than Tuesday, June 13.

All Summer Academy enrichment classes will be held at Dumbarton Elementary School. Transportation will be provided from each elementary school to Dumbarton Elementary School.

Parents are responsible for transporting their children to and from the bus stop and should remain with their children while waiting for transportation to the Summer Academy site. Expectations for students at Summer Academy bus stops are identical to expectations for students at bus stops during the regular school year. Please note that bus drivers will not be able to wait at elementary schools in the afternoon; therefore, it is imperative that parents arrive promptly to pick up students. Please review the summer sites and home-base schools. Additional information concerning transportation will be provided to students who enroll.

MEDICAL INFORMATION pertaining to students who attend Summer Academy must be communicated to the Summer Academy Nurse. All medication, prescription and over-the-counter, MUST be brought to Summer Academy by a parent/guardian with the prescribed orders. If your student has medication at their home school, the orders may be obtained from that nurse before June 16, 2017 but must be brought to Summer Academy by a parent/guardian. If you have any questions, please call School Health at (804) 343-6521.

Students are expected to exhibit appropriate behavior at all times and to abide by the HCPS Code of Student Conduct.

ELEMENTARY SUMMER ACADEMY 2017 OFFERINGS - ENRICHMENT CLASSES

TUITION: Henrico Resident $85.00, Non-Henrico Resident $200.00

SESSION 1: JULY 10 - JULY 20, 2017

ARTS INSTITUTE - This exciting class will offer students an opportunity to participate in a variety of activities in which they will create, explore, and express themselves while learning more about the arts. Students will be grouped by grade levels (rising grade 1; rising grade 2; and rising grades 3 and 4) and will attend an art, music, and movement class each day. ELIGIBLE PARTICIPANTS: Rising Grades 1-4

BRIDGE BUILDING - During this hands-on class, students will work in teams to develop a company and build bridges! Students will learn about bridge structures and will become “engineers” as they work collaboratively to build bridges using different materials. Teams will compete in a variety of ways including final bridge design, cost, and functionality. ELIGIBLE PARTICIPANTS: Rising fourth and fifth grade students identified for gifted services in Henrico County Public Schools.

DIGITAL CREATIONS - During this hands-on class, students will learn how to create digital multimedia projects. Students will explore and demonstrate their creative realms using a variety of applications such as Google Apps, Office, and Adobe products. ELIGIBLE PARTICIPANTS: Rising grades 4-5

STEM-tastic Opportunity! 2-3 - Get a jumpstart on mastering STEM skills by participating in creative problem-solving activities involving Science, Technology, Engineering, and Mathematics! This course offers an opportunity for boys and girls to work collaboratively while discovering solutions to a variety of hands-on challenges. Students will integrate critical thinking and elements of design as they pursue creative solutions in a highly engaging way. ELIGIBLE PARTICIPANTS: Rising Grades 2-3

STEM-tastic Opportunity! 4-5 - See description above. ELIGIBLE PARTICIPANTS: Rising Grades 4-5

WORLD OF LANGUAGES – FRENCH - Parlez-vous français? Come join the fun as you learn French in a fun and exciting way. Sing, dance, learn a second language, and make new friends in the process. Explore the world of the French language and culture as you take a virtual trip to Paris and stroll down the Champs-Elysées, climb to the top of the Eiffel Tower, and eat French pastries. Through an interactive approach, students will learn some basic language while experiencing the culture and customs of the French-speaking world. ELIGIBLE PARTICIPANTS: Rising Grades 2-3

WORLD OF LANGUAGES – SPANISH - ¡Bienvenidos amigos! Are you ready to learn Spanish in a fun and exciting way? Are you ready to sing, dance, laugh and learn a second language? Explore the world of the Spanish language and culture this summer. Listen to music, dance the Flamenco, and learn about bull fighting. Through an interactive approach, students learn some basic language while experiencing the culture and customs of the Spanish-speaking world. ELIGIBLE PARTICIPANTS: Rising Grades 4-5

SESSION 2: JULY 24 - AUGUST 3, 2017

ART ENRICHMENT - This program is designed to foster artistic growth and creative thinking. Students will study art through a variety of 2- and 3-dimensional projects. Various materials will be explored and personal expression will be encouraged! ELIGIBLE PARTICIPANTS: Rising Grades 4-5

MUSIC, MOVEMENT, AND TECHNOLOGY - This exciting class offers students an opportunity to participate in a variety of activities in which they will sing, dance, create, explore, and express themselves through music, movement, and technology. They will be grouped by grade levels (rising grade 1; rising grade 2; and rising grade 3) and will attend three classes each day. ELIGIBLE PARTICIPANTS: Rising Grades 1-3

STEM-tastic Opportunity! 2-3 Get a jumpstart on mastering STEM skills by participating in creative problem-solving activities involving Science, Technology, Engineering, and Mathematics! This course offers an opportunity for boys and girls to work collaboratively while discovering solutions to a variety of hands-on challenges. Students will integrate critical thinking and elements of design as they pursue creative solutions in a highly engaging way. ELIGIBLE PARTICIPANTS: Rising Grades 2-3

STEM-tastic Opportunity! 4-5 - See description above. ELIGIBLE PARTICIPANTS: Rising Grades 4-5

3C’s: Create, Code, and think Critically - This exciting course will provide opportunities for students to create and think critically as they explore computer programming! Students will begin by learning the fundamentals of coding and how to use Scratch, a programming language, to create their own interactive stories, games, and animations. They will also use web-based programming applications and input/output devices to design and create a variety of projects. ELIGIBLE PARTICIPANTS: Rising Grades 4-5

Welcome to DolphinFest 2017! - We are so excited to have new dolphins from around the world join us this year! This year’s convention will be held in beautiful Macapa, Brazil. All dolphins will have access to this lovely city via the Atlantic Ocean. Your task will be to design a dolphin with recyclables and participate in this unique adventure. ELIGIBLE PARTICIPANTS: Rising third and fourth grade students identified for gifted services in Henrico County Public Schools.

WORLD OF LANGUAGES – FRENCH - Parlez-vous français? Come join the fun as you learn French in a fun and exciting way. Sing, dance, learn a second language, and make new friends in the process. Explore the world of the French language and culture as you take a virtual trip to Paris and stroll down the Champs-Elysées, climb to the top of the Eiffel Tower, and eat French pastries. Through an interactive approach, students will learn some basic language while experiencing the culture and customs of the French-speaking world. ELIGIBLE PARTICIPANTS: Rising Grades 4-5

WORLD OF LANGUAGES – SPANISH - ¡Bienvenidos amigos! Are you ready to learn Spanish in a fun and exciting way? Are you ready to sing, dance, laugh and learn a second language? Explore the world of the Spanish language and culture this summer. Listen to music, dance the Flamenco, and learn about bull fighting. Through an interactive approach, students learn some basic language while experiencing the culture and customs of the Spanish-speaking world. ELIGIBLE PARTICIPANTS: Rising Grades 2-3
Transportation will be provided from all HCPS elementary schools to and from Dumbarton Elementary each day.

HENRICO COUNTY PUBLIC SCHOOLS • HENRICO COUNTY PUBLIC SCHOOLS STUDENTS ONLY - No Friday Classes

Selected elementary students will be notified of eligibility to participate in these programs.

THE LEARNING EXPRESS is a remediation program for rising first, second, and third grade students who have been identified as needing additional skill and strategy instruction in reading and mathematics.

REACHING HIGHER is a remediation program for rising fourth and fifth grade students who have been identified as needing additional skill and strategy instruction in reading and mathematics.

Monday, July 10 - Thursday, August 3, 2017

TIME: 8:00 a.m. to 12:30 p.m.

Additional information and a separate registration form will be sent with the notice of eligibility.

Remedial Courses will be held at the following five sites. Transportation will be provided from the feeder schools listed below each site.

Dumbarton Elementary School is the designated site for Elementary ESL and Enrichment classes.
MIDDLE SCHOOL SUMMER ACADEMY 2017

Middle School General Information

ATTENDANCE AND TARDY REQUIREMENTS:
Attendance during Summer Academy 2017 is very important. One day of summer school is
equal to approximately one week of regular school. Parents are asked not to make vacation
plans which conflict with summer school dates.
• Students who are absent in excess of three (3) days, EXCUSED OR UNEXCUSED, will be
withdrawn from summer school.
• Three tardies or three early dismissals will be counted as one absence, regardless of the
amount of time involved. Any tardy after 10:30 a.m. or any early dismissal prior to 10:30 a.m.
will be counted as a half-day absence.
• There can be NO EXCEPTIONS to this requirement, REGARDLESS OF THE REASONS.

MAKE-UP WORK:
• Make-up work applies ONLY to EXCUSED absences. Obviously, there is no opportunity
to make up work beyond three (3) days because if a student misses more than 3 days,
excused or unexcused, he/she is withdrawn. (See Attendance/Tardy Requirements above.)
• In order to be able to make up work on any of the three days allowed, students must bring a
valid note signed by a parent or guardian stating the reason for absence.

CUMULATIVE TESTS:
• Students will not be allowed to take cumulative tests early or to make up these tests after the
testing period.

DISCIPLINE:
• Summer Academy 2017 is a privilege, not a requirement. There is much to be done in a
compressed time frame and, therefore, little time for behavior problems.
• Students referred to the summer administrator for violations of discipline may be withdrawn
from Summer Academy.
• Copies of the Summer Academy 2017 discipline regulations will be distributed on the first
day of the summer session to be signed by both the student and a parent or guardian and
returned to the school. Residents and non-residents will follow Henrico County Public
Schools Code of Student Conduct.

REFUND PROVISIONS:
• No refunds will be given after June 29, 2017.
• Henrico County Public Schools reserves the right to cancel classes for which there is
insufficient enrollment. Refunds will be given for courses which are not offered due to
insufficient enrollment.
• When a class reaches its maximum enrollment, registrations will be returned in reverse date
order.
• No refunds will be authorized for students withdrawn for disciplinary reasons or excessive
absences.

RESTRICTIONS:
• Only students who have successfully completed Grade 8 may enroll in the high school
Summer Academy courses.
• Online summer courses are not intended for student recovery.

FOOD SERVICE:
Lunch may be provided free of charge through the USDA’s Summer Food Service Program
depending on a site’s eligibility status. Eligibility can vary, so please check with a Summer Academy
coordinator at the site to verify. Students may also have the option to bring in their own snacks.

MEDICAL INFORMATION pertaining to students who attend Summer Academy must be
communicated to the Summer Academy Nurse. All medication, prescription and over the counter,
MUST be brought to Summer Academy by a parent/guardian with the prescribed orders. If your
student has medication at their home school, the orders may be obtained from that nurse before
June 16, 2017 but must be brought to Summer Academy by a parent/guardian. If you have any
questions, please call School Health at (804) 343-6521.

Middle School Transportation

Transportation will be provided to each middle school location. Buses will pick up students
at the elementary schools and locations listed below. Parents must supervise students while on school
property. It is not the responsibility of the school division to supervise students that are dropped off early
and picked up late at the elementary locations.

Complete and return to your ESL teacher by May 5, 2017. No late registration forms will be accepted.

There will be no on-site registration. Students will not be accepted once the program begins.
Courses for Rising 9th-12th Graders (0.5 Credit)

**Auto Body Repair** provides hands-on experience in welding, plastic fillers, and refinishing equipment and processes.

**Automotive Technology** introduces students to the many fields related to the automotive service industry including engine and brake repair.

**Barbering** teaches students the basics of hair, scalp and skincare. Students practice on mannequins to hone their new skills and discover what it takes to operate a barber shop.

**Computer-Aided Drafting and 3D Animation** is an introductory course where students gain an understanding of how to create drawings, 3D models and animations using the latest CAD software.

**Computer Systems Technology** introduces young people to the IT field. Students will learn how to install, set up, service, troubleshoot, network, and maintain PC's.

**Cosmetology** introduces students to the foundation of professional care of hair, skin and nails. Students will perform hands-on techniques such as manicures, facials on classmates and hair care techniques on mannequins in a salon setting.

**Criminal Justice** explores the world of modern law enforcement. Learn to use police equipment to solve crimes and keep order. Topics include crime-scene investigation, using police tactical gear, fingerprinting, and common patrol tactics.

**Culinary Arts** students participate in creative activities related to following recipes and cooking. Learn basic culinary techniques and menu planning and explore culinary careers.

**Diesel Technologies** introduces students to the fundamentals of diesel equipment technology. Learn the basics of diesel vehicles such as firetrucks, school buses and ambulances.

**Early Childhood Education and Services** is ideal for students interested in the field of education, especially those who have a passion for working with younger children. Students will work directly with preschool-aged children.

**Electricity and Cabling** provides hands-on experience with the basic principles of direct and alternating current with emphasis on residential wiring.

**Graphic Communications** is designed to introduce students to the world of printing. Learn techniques to manage and control production printing using skills for the 21st century. Develop skills in digital composition and printing, wide format printing, and collation/binding operations.

**Hotel and Catering/Travel and Tourism** provides students with an introduction to the travel and tourism industry which includes cruises, airlines, lodging, and catering. Students will participate in hands-on cooking demonstrations.

**Legal and Medical Systems Administration** is an introductory course for students who want to be legal or medical office workers or specialize in other fields in a legal or medical environment. Students develop skills that prepare them for employment in a variety of legal and medical office environments.

**Masonry** is an introduction to residential and commercial brick and masonry construction.

**Nurse Aide** is an introduction to the field of nursing focusing on basic nursing skills such as communication, CPR, first aid, and patient care.

**Pharmacy Technician** introduces students to the world of medications. Learn about the history of pharmacy and the skills and techniques needed to deliver an exciting broadcast.

**Radio Broadcasting and Journalism** focuses on learning about how to give a play-by-play description of a game and on providing color commentary. Learn about the history of sports broadcasting and the skills and techniques needed to deliver an exciting broadcast.

**Sports Medicine** provides an introduction to the field of sports medicine and athletic training. Students develop skills in prevention, recognition, assessment, management, disposition, and rehabilitation of injuries. Learn the principles of designing exercise programs for healthy individuals and developing proper diets through the essentials of nutrition.

**Veterinary Assistant** is an introductory course designed to teach basic skills in animal care and explore animal-related careers. Content includes animal behavior, breeds and species, basic animal anatomy, restraint and handling, feeding/nutrition, animal grooming, facility maintenance and cleaning, and workplace readiness.

**Web Development and Programming** introduces the skills students need to succeed in today's high-technology marketplace. Instruction includes introduction to Web programming by learning HTML (HyperText Markup Language), Cascading Style Sheets (CSS), Javascript, and C#. Students are introduced to tools such as Photoshop, Dreamweaver, and Microsoft Visual Studio.

Courses for Rising 6th-8th Graders (No Credit)

**Auto Body Repair** provides hands-on experience in welding, plastic fillers, and refinishing equipment and processes.

**Automotive Technology** introduces students to the different areas involved in auto repair and maintenance. Students will develop an understanding of how a car works and the different facets of car ownership and care.

**Barbering** teaches students the basics of hair, scalp and skincare. Students will learn the different areas that are involved with barbering including basic hair care and maintenance.

**Computer Systems Technology** introduces young people to the IT field. Students will learn how to install, set up, service, troubleshoot, network, and maintain PC's.

**Cosmetology** introduces students to the foundation of professional care of hair, skin and nails. Students will perform hands-on techniques such as manicures, facials on classmates and hair care techniques on mannequins in a salon setting.

**Criminal Justice** explores the world of modern law enforcement. Learn to use police equipment to solve crimes and keep order. Topics include crime-scene investigation, using police tactical gear, fingerprinting, and common patrol tactics.

**Early Childhood Education and Services** is ideal for students interested in the field of education, especially those who have a passion for working with younger children. Students will work directly with preschool-aged children.

**Electricity and Cabling** provides hands-on experience with the basic principles of direct and alternating current with emphasis on residential wiring.

**Hotel and Catering/Travel and Tourism** provides students with an introduction to the travel and tourism industry which includes cruises, airlines, lodging, and catering. Students will participate in hands-on cooking demonstrations.

**Radio Broadcasting and Journalism** focuses on learning about how to give a play-by-play description of a game and on providing color commentary. Learn about the history of sports broadcasting and the skills and techniques needed to deliver an exciting broadcast.

**Sports Medicine** provides an introduction to the field of sports medicine and athletic training. Students develop skills in prevention, recognition, assessment, management, disposition, and rehabilitation of injuries. Learn the principles of designing exercise programs for healthy individuals and developing proper diets through the essentials of nutrition.

**Veterinary Assistant** is an introductory course designed to teach basic skills in animal care and explore animal-related careers. Content includes animal behavior, breeds and species, basic animal anatomy, restraint and handling, feeding/nutrition, animal grooming, facility maintenance and cleaning, and workplace readiness.
**Registration Form**

Courses are offered at the Advanced Career Education Center at Highland Springs.

Applications will be processed before April 3, 2017. Send completed registration and payment to the ACE Center at Highland Springs, 100 Tech Drive, Highland Springs, VA 23075. Make checks payable to ACE Center at Highland Springs. No cash accepted. Tuition: $100.00.

*(Classes will not be held on Fridays or on Tuesday, July 4th.)*

**Place a “1” beside your first choice and a “2” beside your second choice.**

Summer Polytech has an attendance requirement. Once a student misses two days of class, he/she will be removed from the class. No credit is earned and tuition is forfeited.

Transportation by HCPS will begin on the second day, June 21, 2017. Bus schedules will be distributed via email prior to the first day. Be sure that your email on the registration is clearly written. Students will be picked up from the elementary school listed on the registration form.

**PLEASE RETURN ENTIRE REGISTRATION FORM WITH PAYMENT.**

Rising 9th-12th grade students will be able to receive 0.5 credit from these 4 week courses. Rising 6th-8th grade students will not receive credit.

Online Payment Option: [https://osp.osmsinc.com/HenricoVA//default.aspx](https://osp.osmsinc.com/HenricoVA//default.aspx)
For students **NOT ENROLLED** in a summer school course.

High school students who have not passed an EOC SOL test(s) needed for graduation will have the opportunity to retake one or more tests at Deep Run, Glen Allen, or Varina High Schools. Students who wish to test will either register for and participate in a Project Graduation Refresher course or register to test only. Project Graduation Sites for this year are Glen Allen and Varina. Registrations are due to the students’ home school counseling offices by: **June 21, 2017**.

Online Testing dates are as follows:
- July 6, 2017 – Work Keys Business Writing – Potential Graduates and Rising Seniors Only
- July 12, 2017 – Test only & Refresher - English: Writing Multiple Choice
- July 13, 2017 – Test only & Refresher - English: Writing Short Paper
- July 13, 2017 – Non-Writing Refresher Course Attempt 1 (all courses)
- July 17, 2017 – Test only & Refresher – English: Writing 2nd Attempt (MC & SP) for Term Grads
- July 17, 2017 – Test only - English: Reading
- July 18, 2017 – Test only - Earth Science, Biology, or Chemistry
- July 19, 2017 – Test only - Algebra I, Algebra II, or Geometry
- July 20, 2017 – Test only - World Geography, World History I, World History II, or VA & US History
- July 20, 2017 – Non-Writing Refresher Course Attempt 2 (all courses)

Students new to Henrico County Public Schools from outside the state of Virginia, from a private school, or from home schooling, who have passed an End-of-Course class but have not taken the corresponding SOL test, may also take the tests on the above dates provided they have enrolled with Henrico County Public Schools. These students must enroll and register to test with their home school no later than June 21, 2017.

For students **ENROLLED** in a summer school course.

Non-Writing SOL Test: July 31, 2017 with expedited retakes on August 2, 2017.
Online courses will take the SOL tests on Monday, July 31, 2017 at 10 AM at Glen Allen High School.

### Online Economics and Personal Finance through Longwood University for Henrico County High Schools

**June 19 - July 15, 2017**

Students are required to take their final exam on Longwood University’s campus during the last week of the course.

**Required course text:** Personal Finance, Turning Money Into Wealth, 7th edition (an earlier edition can be purchased for cost savings)

**Required course calculator:** Any graphing or financial calculator (Texas Instruments BA2+ is recommended)

**Registration:** Tuition: $400 plus $15 registration fee
Register at [cfr.longwood.edu/EPF](http://cfr.longwood.edu/EPF)
Registration April 1, 2017 - June 12, 2017

**Contact:** Danielle Hennessey
hennesseydm@longwood.edu
(p) 434.395.2835
TRANSPORTATION:
The school division does not provide transportation for high school students attending Summer Academy 2017. Parents of high school students are responsible for reliable transportation to and from school.

ATTENDANCE AND TARDY REQUIREMENTS:
Attendance during Summer Academy 2017 is very important. One day of summer academy is equal to approximately one week of regular school. Parents are asked not to make vacation plans which conflict with summer academy dates.
- Students who are absent in excess of three (3) days, EXCUSED OR UNEXCUSED, will be withdrawn from summer school for one-credit classes. Only one absence is allowed for semester classes including driver education.
- Three tardies or three early dismissals will be counted as one absence, regardless of the amount of time involved. Any tardy after 10:30 a.m. or any early dismissal prior to 10:30 a.m. will be counted as a half-day absence.
- There can be NO EXCEPTIONS to this requirement, REGARDLESS OF THE REASONS.

These attendance and tardy requirements are not meant to be punitive. All schools must maintain and enforce a minimum number of student hours per class in order to retain their accreditation.

MAKE-UP WORK:
- Make-up work applies ONLY to EXCUSED absences. Obviously, there is no opportunity to make up work beyond three (3) days because if a student misses more than 3 days, excused or unexcused, he/she is withdrawn. (See Attendance Requirements above.)
- In order to be able to make up work on any of the three days allowed, students must bring a valid note signed by a parent or guardian stating the reason for absence.

EXAMS:
- Students will not be allowed to take exams early or to make up exams after the exam period. Exams are given on the last day of the course.

DISCIPLINE:
- Summer Academy 2017 is a privilege, not a requirement. There is much to be done in a compressed time frame and, therefore, little time for behavior problems.
- Students referred to the summer administrator for violations of discipline may be withdrawn from Summer Academy.
- Copies of the Summer Academy Discipline Regulations will be distributed on the first day of the summer session to be signed by both the student and a parent or guardian and returned to the school. Residents and non-residents will follow Henrico County Public Schools Code of Student Conduct.

REFUND PROVISIONS:
- No refunds for regular summer courses will be given after June 29, 2017.
- No refunds will be given to students who drop online summer courses.
- Henrico County Public Schools reserves the right to cancel classes for which there is insufficient enrollment. Refunds will be given for courses which are not offered due to insufficient enrollment.
- When a class reaches its maximum enrollment, registrations will be returned in reverse date order.
- No refunds will be authorized for students withdrawn for disciplinary reasons or excessive absences.

FOOD SERVICE:
Lunch may be provided free of charge through the USDA’s Summer Food Service Program depending on a site’s eligibility status. Eligibility can vary, so please check with a Summer Academy coordinator at the site to verify. Students may also have the option to bring in their own snacks.

MEDICAL INFORMATION pertaining to students who attend Summer Academy must be communicated to the Summer Academy Nurse. All medication, prescription and over the counter, MUST be brought to Summer Academy by a parent/guardian with the prescribed orders. If your student has medication at their home school, the orders may be obtained from that nurse before June 16, 2017 but must be brought to Summer Academy by a parent/guardian. If you have any questions, please call School Health at (804) 343-6521.

HIGH SCHOOL REGISTRATION:
High school students should register at the home-base school beginning April 3, 2017 and no later than June 8, 2017 as certain regular summer classes will close (i.e. Physical Education, Driver Education, etc.). See page 11 for online courses registration dates. ALL CHECKS SHOULD BE MADE PAYABLE TO THE HOME-BASE SCHOOL WITH STUDENT’S NAME AND SUMMER ACADEMY SITE ON THE CHECK. CHECKS WILL BE DEPOSITED DAILY.

Registration for regular summer courses based on space available will be held at each home school on the following dates:

<table>
<thead>
<tr>
<th>Date</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuesday, June 20, 2017</td>
<td>12:00 p.m. - 3:00 p.m.</td>
</tr>
<tr>
<td>Wednesday, June 21, 2017</td>
<td>8 a.m. - 12:00 p.m.</td>
</tr>
</tbody>
</table>

No registrations will be accepted after June 21, 2017.

Tuition payment is required upon registration. NO STUDENT MAY BE ENROLLED IN THE SUMMER ACADEMY WITHOUT THE WRITTEN APPROVAL OF HIS/HER HOME SCHOOL COUNSELOR. NO REFUNDS WILL BE GIVEN AFTER JUNE 29, 2017. SPACE AVAILABLE ONLY.

High School Restrictions

Online summer courses are not intended for student recovery.

Only students who have successfully completed Grade 8 may enroll in the high school Summer Academy courses. Only graduating seniors can take 2 site-based classes. HIGH SCHOOL COURSES TAKEN DURING THE SUMMER WILL BE CALCULATED IN THE STUDENT’S G.P.A.

ONLY ELIGIBLE STUDENTS FROM HENRICO COUNTY PUBLIC SCHOOLS MAY PARTICIPATE IN THE THURSDAY, AUGUST 3, 2017 GRADUATION CEREMONY AT GLEN ALLEN HIGH SCHOOL AT 7:00 P.M.

P7-06-001 Regular High School Summer School
Summer School is offered to high school students of Henrico County in order to provide educational opportunities for them to take credit courses they would not be able to schedule in the regular school program or to take such courses as may help them advance toward graduation. High school students who are not on track to graduate on time may be allowed to take two courses during summer school after review and approval by their school counselor. The summer school program shall meet state requirements for course completion.

Summer SOL Testing - See information on page 9.
