### **Rules & Instructions**

- Please be sure to include an email address on this form.
- Navia Benefits Cards are good for 3 years; at expiry you will automatically receive a new card.

### **Ineligible Navia Benefits Card Expenses**

---

- The IRS provides the following 3 methods for correcting the reimbursement of an ineligible Navia Benefits Card Charge. A participant must: a) repay the plan for the amount of the ineligible expense, or b) request the substitution or offset of future claims to repay the plan. If neither option "a" nor "b" is successful the final option illustrated by the IRS permits the employer to deduct the ineligible expense from the participant's wages or other compensation consistent with federal and state law.
- For example, if you use the card for an ineligible expense the card will be suspended to prevent further use. We will reactivate the card once you reimburse the plan for the amount of the ineligible expense. If you do not reimburse the plan the card will remain suspended. You may still submit claims via fax or mail and, upon request, we will substitute or offset those future claims against the amount of the ineligible expense until the amount of the ineligible expense is repaid. If you do not repay the plan or substitute or offset future claims against the amount of the ineligible expense your employer may withhold the improper payment amount from your wages or other compensation consistent with applicable federal or state law.
