

HCPS Gifted Transfer Procedure

Are you new to Henrico County?

Was your child identified as a gifted student in another school division?

If yes, please follow the directions below to ensure we are able to provide your child with the appropriate services and instruction.

1. Notify your school secretary when you register that your child has been previously identified
2. Please provide a copy of all available paperwork from their gifted identification if possible to the school secretary and/or gifted identification coordinator.

*If you do not have copies of the identification documents from your child's previous school please request copies be sent to the new school.

3. Once you notify the school, a member of the Gifted Education department will contact you with more information.

If you want to learn more about the gifted identification process in Henrico County please refer to our website <http://henricoschools.us/gifted/> .

Transfer students who have been identified gifted in their previous school must meet the criteria for a gifted identification in Henrico County Public Schools in order to receive gifted services.
