

HENRICO COUNTY PUBLIC SCHOOLS HEALTH COMMITTEE UPDATE

October 14, 2021

AGENDA

- Transmission Level
- Contact Tracing Dashboard
- Vaccination Status
- Test Kits
- Screening

HENRICO TRANSMISSION LEVEL

Indicator	Low Transmission	Moderate Transmission	Substantial Transmission	High Transmission
Total new cases per 100,000 persons in the past 7 days	0-9	10-49	50-99	>+100
Percentage of NAATs* that are positive in the past 7 days	<5.0%	5.0%-7.9%	8.0%-9.9%	>-10.0%

HENRICO LEVEL OF SCHOOL IMPACT

Criteria to consider	Level of School Impact*		
	Low	Medium	High
Transmission within school	Zero or sporadic cases with no evidence of transmission in school	Two outbreaks within a short time period or sporadic outbreaks in school. Size of outbreaks remains small.	Several outbreaks in school within short time period; size of outbreaks is large or scope of outbreaks is significant (e.g multiple classrooms or grade levels are impacted).
Student absenteeism	At baseline/Low	Slightly above baseline	High
Staff Capacity**	Normal	Strained	Critical

*Level of impact to school can only be assessed for those schools that have opened to in-person instruction. Schools should collaborate with local health departments on contact investigations. Depending on the level of COVID-19 transmission in the school and outbreak status, public health may recommend adjustment to prevention strategies. If a school is conducting a COVID-19 testing program, screening testing data can also be helpful.

**This subjective assessment should factor in a school's ability to maintain adequate staff for facility operations, transportation, teaching, and administrative functions. It should include input from teachers/staff regarding their availability to provide in-person instruction.

CONTACT TRACING DASHBOARD

Positive Cases & Close Contacts	COVID POSITIVE & CLOSE CONTACTS School-Managed Flow Chart			
	Student Positive Letter	Staff Positive Letter	Student Close Contact Letter	Staff Close Contact Letter
	RedCap Template		RedCap Link	
	Positive Case Script	Elementary Script (close contact)	Secondary Script (close contact)	Employee Script (close contact)

Community Exposures	COMMUNITY EXPOSURE Flow Chart	Student Community Exposure Letter	Staff Community Exposure Letter
	COVID Information Link Elementary	COVID Information Link Secondary	COVID Information Link Staff
	Elementary Script (community exposure)	Secondary Script (community exposure)	Employee Script (community exposure)

Illness	ILLNESS Flow Chart	10 day illness letter

VACCINATION STATUS

AT-HOME TEST KITS

BINAXNOW™ COVID-19 AG CARD HOME TEST AND NAVICA™ APP

- At-home, virtually guided COVID-19 antigen testing provides rapid and verifiable results in the safety and convenience of your home.

SCREENING TESTING

ViSSTA will provide testing vendors, supplies, and staffing to support an end-to-end COVID-19 testing experience with the goal of maximizing resources available to schools to navigate full in-person instruction in the fall and minimizing added responsibilities to existing school staff.
