Superintendent’s Message

Dear Henrico Community Members,

Providing a safe, secure and welcoming environment for all students and school division personnel who make up the Henrico County Public Schools family is one of my primary and highest responsibilities. To this end, it is important the school division’s expectations be clear to students, families, staff and the community. Therefore, I ask that you take the time to fully read and understand the Code of Student Conduct.

Collectively, we all have a role in not only knowing but in meeting the expectations outlined within this Code of Student Conduct, as well as in ensuring that our actions lead to outcomes that enable students in our programs to thrive behaviorally, social emotionally and academically. Knowing that student success is contingent not only in the supportive environment within our school programs but within their homes and the community, we invite and encourage parents and other stakeholders to become active and involved partners in promoting a safe and supportive school environment.

Please know that Henrico County Public School personnel are committed to assisting all students in achieving behavioral and academic success. Educators within our programs are dedicated to ensuring open channels of communication with parents/guardians about their child’s behavior and for nurturing the skills students need to succeed in school and out of school. Parents/guardians are encouraged to maintain an open dialogue with their child’s teacher and other school personnel and should share any pertinent information with staff that may affect student behavior or social emotional well-being. A strong, collaborative partnership between home and school is paramount in ensuring student success.

Thank you for entrusting your child to the care of Henrico County Public Schools. Your cooperation in making yourself familiar with school expectations is appreciated. Together, as partners, we can continue to keep our schools among the safest places in the community for students to grow and learn.

Sincerely,

Dr. Amy E. Cashwell
Superintendent of Schools
Preface

The purpose of this publication is to provide students, parents, school personnel, and the public with a concise and comprehensive description of the minimum standards of behavior for all students enrolled in the public schools of Henrico County. It defines appropriate student conduct and presents a menu of alternative interventions and responses to be employed by teachers and/or school administrators to address individuals who exhibit inappropriate behavior. Emphasis is placed upon behavioral expectations of Henrico students in clear and consistent language for common understanding and support in meeting the expectations.

This Code of Student Conduct applies to all Henrico County Public School students. It is enforced when they are:

- On school property.
- Traveling to school or from school.
- Traveling to, at, and from bus stops.
- In School Board vehicles.
- In attendance at school or at any school-sponsored activity, including virtual classes and other school-sponsored online activities.

In addition, this Code applies to incidents off school property as referred to in Definitions - Alternative Placements/Suspensions/Expulsions. This Code also applies to a student’s conduct which interferes with the peaceful operation of the school system or the safety/welfare of students, employees, or volunteers. Students who observe or are subjected to inappropriate actions as described in this Code are expected to report such incidents to their school administration. In addition, all students must report to a school staff member any information concerning threats or disruptions involving the safety of students, staff, or the school environment.

The School Board of Henrico County, Virginia, complies with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Improvement Act of 1990, and the Individuals with Disabilities Education Act. The School Board does not discriminate on the basis of race, color, national origin, religion, sex, gender identity, sexual orientation, age, or disability in any of its programs and activities. The Superintendent of Schools, his/her designee, and the Division Compliance Officer are responsible for the coordination of compliance with these provisions. For additional information, please visit https://henricoschools.us/notice-of-non-discrimination/ or see School Board Policy P6-04-007 Nondiscrimination.

This Code of Student Conduct specifically outlines 15 major categories of behavior and states consequences which may occur as a result of misconduct. The following factors are used in determining the consequences for a specific violation of the Code:

- Age, health, and disability or special education status of the student.
- Appropriateness of student’s academic placement.
- Student’s prior conduct and record of behavior.
- Student’s understanding of the impact of his/her behavior.
- Student’s willingness to repair the harm caused by his/her behavior.
- Seriousness of the behavior offense and the degree of harm caused.
- Impact of the incident on the overall school community.
- Whether the student’s violation threatened the safety of any student or staff member.
- The possibility that a lesser intervention would adequately address the violation.

When enforcing this Code, students and their property, including but not limited to, backpacks, purses, other containers, automobiles, lockers, desks, computers, and electronic devices may be searched. Metal detectors, surveillance cameras, and detection dogs may be used on school property and at school-sponsored activities in order to maintain a safe and productive learning environment. Search and seizure are defined in more detail in the definitions section of this Code.

All students will be subjected to the same set of expectations regardless of gender. Staff are prohibited from applying the dress code by direct physical contact with a student or a student's attire and from requiring a student to undress in front of any other individual. This policy is in compliance with the Code of Virginia.

The administration of every school has the authority to notify students and parents of modifications to the dress code for spirit days and other school celebrations, as particular items pose a disruption, or as other circumstances warrant.

Students may not wear the following items unless otherwise stated:

- Hoods (on heads), hats, or face masks (that covers more than the mouth and nose) inside school buildings, during regular school hours, unless required for religious or medical reasons.
- Sunglasses (worn indoors), unless prescribed by a physician.
- Clothing must reach the tip of the thumb when hands placed at the sides (arms straight with palms flat).
- Messages on clothing, chains, jewelry, and personal belongings that pertain to drugs, alcohol, tobacco, sex, gangs, vulgarity, or messages that negatively represent a religion, ethnicity, culture, gender, or people, or that could cause a substantial disruption to the learning environment.
- Spiked jewelry, chains, and items which could cause student injury.
- Beachwear (which includes bathing suits and trunks) and sleepwear.
- Clothing that reveals undergarments.
- Cut-off jeans, cut-off sweatpants, or torn, ripped, or slashed clothing that reveals undergarments or body parts excluded by other parts of this code.
- Clothing that is see-through, revealing the midriff (while sitting or standing), or resembles undergarments.
- Bedroom slippers or shoes with wheels, also known as “Heelys.”

The administrative team in each school shall have discretion regarding code decisions. Parents of students who violate the dress code may be contacted to provide appropriate clothing for their child(ren), if necessary.
Cellular Phones and Electronic Devices

HCPS recognizes that student access to cell phones and other electronic devices is common in 21st Century society; however, it is imperative that students and parents understand that there are appropriate and inappropriate times for the use of such devices. Students using cell phones or other electronic devices to record anything or anyone without authorization on school property or at school events is strictly prohibited.

Failure to adhere to this policy will result in a minimum consequence of the device being confiscated and used as evidence. Other consequences may apply pending the investigation as to the intent and reason for not adhering to the Code of Student Conduct.

Cell phones or electronic devices may be retained until the following school day prior to retrieval by parents/guardians. Teachers who confiscate devices must store the device in a safe place until the first available opportunity to give it to an administrator for safe keeping and documentation. Confiscated devices can be retrieved during normal school office hours as designated by school staff.

Cell phones and said devices may be used during class at the teacher’s direction for instructional purposes only (i.e. researching on the Internet, Edmodo, Poll Everywhere, Poll Daddy, Remind 101, etc.).

Use of Cellular Phones or other Electronic Devices during Assessments

Test administration procedures are developed in order to help reduce measurement error and to increase the likelihood of fair, valid, and reliable assessments. Procedures that protect the security of the assessment help to maintain the meaning and integrity of the score scale for all students; therefore:

- Any student using an unauthorized electronic device during testing shall be deemed to have violated the Test Administration Procedures. For the purpose of this policy, “use” shall be defined as having any electronic device out and/or in sight, whether on or off (including asleep), without direct authorization from the classroom instructor.

- Any student found in breach of the Test Administration Procedures, by using an unauthorized electronic device, shall receive a zero on the assessment. Furthermore, the device in use shall be confiscated and turned in to the student’s grade level administrator with a written referral, in accordance with the Code of Student Conduct.
Elementary and Middle School

Cell phones are required to be off, and out of sight, during regular school hours, unless used for instructional purposes, with the teacher’s permission. When students are attending instructionally related after-school activities (tutoring, homework help, make-up work, etc.) cell phones and electronic devices should not be used. When students are released from these sessions, cell phone and electronic device usage is allowed. Cell phones and electronic devices may be used when students are attending non-instructional after-school events/activities as long as the cellular phone or electronic device is not distracting.

Student Behavior and Administrative Response (*SBAR*)

The following behavior categories are designed to recognize the impact student behavior has on the school environment and on learning. They encourage awareness for administrators, teachers, parents, and counselors of students’ social-emotional learning and emphasize the importance of helping students achieve academically and behaviorally.

*(BAP)* Behaviors that Impede Academic Progress: These behaviors impede academic progress of the student or of students. They are typically indicative of the student’s lack of self-management or self-awareness. Sometimes, the student may need help in understanding how the behavior impacts others so training in social awareness may also be indicated.

*(BSO)* Behaviors Related to School Operations: These behaviors interfere with the daily operation of school procedures. Students exhibiting these behaviors may need to develop self-management, self-awareness, or social-awareness skills.

*(RB)* Relationship Behaviors: These behaviors create a negative relationship between two (2) or more people that does not result in physical harm. Relationship behaviors affect the whole school community in that the school climate is often a reflection of how people treat one another. Students who exhibit difficulty with relationship behaviors may also have difficulty with the other social-emotional competencies.

*(BSC)* Behaviors that Present a Safety Concern: These behaviors create unsafe conditions for students, staff, and visitors to the school. The underlying reasons for this type of behavior may lie in any of the social-emotional competencies so the administrator should investigate the underlying motivation for the student’s behavior. Training in social awareness and decision-making are usually indicated in any behavior that creates a safety concern.

*(BESO)* Behaviors that Endanger Self or Others: These behaviors endanger the health, safety, or welfare of either the student or others in the school community. Behaviors that rise to this level of severity are often complex. While they are indicative of poor decision-making skills, students who exhibit these behaviors may also have developmental needs in the other social-emotional competencies.
Levels of Interventions and Responses

Levels of Interventions and Responses (formerly, Code Violation Categories) offer school administrators guidance when determining the appropriate interventions, supports, and/or responses for student misconduct. Each level/category represents the maximum consequence permitted for specific code violations; however, depending on the circumstances, administrators may provide an intervention, support, or consequence from a lesser category.

Level 1/Category 1:
Interventions and Responses at this level are designed to help improve student behavior in the classroom and/or school. If these interventions are successfully implemented, a referral to the school administrator may not be necessary. However, documentation will be required. These responses are intended to prevent further behavioral issues while keeping the student in school. Violations under this level/category shall result in classroom supports, interventions, or minor consequences (ISS/RESET) for one (1) to two (2) days.

Level 2/Category 1:
Interventions and Responses at this level are designed to prevent further behavior issues and keep the student in school. Depending upon the severity of the behavior, short-term removal of the student from the classroom and/or school may be appropriate. Violations under this level/category shall result in classroom supports, interventions, or minor consequences (ISS/RESET) for one (1) to three (3) days.

Level 3/Category 2 or 3:
Interventions and Responses at this level may result in the student’s short-term suspension between one (1) and five (5) days.

Level 4/Category 4 or 5A:
Interventions and Responses at this level may require a short-term suspension, or a long-term suspension hearing with the DRHO. Violations under this category may result in a suspension between one (1) and 45 days.

The long-term suspension may extend beyond a 45-school-day period, if the division superintendent or his/her designee finds that (i) the offense involves a firearm or destructive device, firearm muffler or firearm silencer, or a pneumatic gun, drugs or serious bodily injury or (ii) the local school board or the division superintendent or his/her designee finds that aggravating circumstances exist, as defined by the Department of Education.

Level 5/Category 5B:
Interventions and Responses at this level shall require a recommendation for expulsion hearing.
### Levels of Interventions and Responses (formerly, Code Violation Categories)

These interventions aim to teach appropriate and alternative behavior, so students can learn and demonstrate safe and respectful behavior. The examples below are neither all-inclusive nor required to be exhausted. In every case the staff should consider revisions to plans supporting students with special needs (Response to Intervention, Child Study, IEP or 504). In appropriate cases, staff should refer the student to the Child Find team if they suspect the student has a disability and has not been identified as such.

#### Examples of Classroom Interventions and Responses

Teachers are encouraged to try a variety of teaching and classroom management strategies.

Note: Elementary students (PK-3rd grade) may not be suspended for more than three (3) school days or expelled from attendance at school unless (i) the offense involves physical harm or credible threat of physical harm to others or (ii) the local School Board or the Division Superintendent or his/her designee finds aggravating circumstances exist, as defined by the Department of Education.

Restorative practices will be implemented as deemed appropriate, and Intervention plans developed, reviewed and/or modified, on an as-needed basis. Restorative practices can be a part of a school-wide approach to remedy unwanted student behavior. Restorative practices involve the intentional intervention on the part of school staff to address and repair harm caused by a violation of the Code of Student Conduct.
ELEMENTARY
CODE VIOLATIONS
BAP4/A1T/Cat. 1: Excessive Tardiness and/or Absences
BAP5/A2T/Cat. 1: Truancy
BSC24/A3T/Cat. 1: Leaving Without Permission

Students are expected to arrive at school and all classes on time every day.

A. Excessive and Unexcused Tardiness or Absences to School or Class
Students are expected to attend all assigned classes every day. Absence from class includes late arrival, early dismissal or being missing from any class. Justifiable reasons for non-attendance should be submitted to the school for each absence, late arrival, or class absence. Absences from class require approval from an administrator. Unexcused tardiness and/or skipping class are considered violations of compulsory attendance.

B. Compulsory Attendance
When a student accumulates five (5) unexcused absences, the parent or guardian will be contacted, and a meeting will be scheduled to jointly develop a plan to resolve the student’s nonattendance. If the student is absent for more than one (1) additional day after a plan has been developed to resolve the absences, a school conference will be held with the administrator or his/her designee, parent or guardian and the student (if appropriate). The school conference will be held no later than 10 school days after the student’s 10th absence.

The conference team will monitor the student's attendance and may meet again as necessary to address concerns and plan additional interventions. If attendance does not improve, a referral will be made to the attendance officer.

Upon receipt of a referral, the attendance officer will schedule a conference with the student and his/her parent or guardian within 10 school days. Following this conference, the attendance officer may file a complaint with the juvenile and domestic relations district court, alleging the pupil is a child in need of supervision or in institute proceedings against the parent.

C. Truancy
All student absences are considered unexcused unless the parent either calls the school or sends a written note to provide a justifiable reason for the absence within 24 hours of the absence. Acceptable excuses include the following:

- Illness of student.
- Serious illness in family which necessitates absence of student.
- Death in family.
- Special and recognized religious holidays.
- Other reasons approved by principal.

A written statement by a physician may be required when a student misses more than 10 days during the school year because of illness.

D. Leaving School Property without Permission
Once a student arrives on school property, he/she may not leave without administrative permission prior to the end of the regularly scheduled day. Students with early dismissals must sign out prior to leaving school. High school students with written authorization from a parent or legal guardian, may sign themselves out; however, elementary/middle school students must be signed out by a parent or legal guardian who must present a pictured ID card when picking a student up from any school.
Some offenses under this section must be reported to the School Resource Officer by an administrator or his/her designee in accordance with section 22.1-279.3:1 of the Code of Virginia.

   - BSC4/D17/Cat.2: Substances Represented as Drugs (Look-alikes)
   - BESO5/D20/Cat.3: Anabolic Steroid/Use and Possession

   Students shall not use, be under the influence of, or have in their possession any alcohol, drugs and/or drug paraphernalia on school property or at any school-sponsored event.
Certain circumstances will warrant a recommendation for expulsion; however, the following consequences will apply:

**First Offense Consequence**

Refer the incident to an administrative school hearing chaired by the building principal and/or designee.

(a) Absences as a result of out of school suspension will be unexcused, with no right to make up missed work; however, if the student successfully completes the school division’s Awareness and Intervention Program and if the student and parent participate in one meeting with Program staff, the student will be allowed to complete missed assignments. Any student participating in extracurricular activities must comply with stipulations of the Student Activities Contract on page 15.

(b) The parents may enroll the student in a community drug counseling program of their choice and sign permission to share information between the school and the program. In this case the provisions of paragraph 1(d) shall apply.

**Subsequent Drug and/or Alcohol Abuse Offenses Consequence (Cumulative within 3 years)**

In addition to any of the penalties described under possession, the following will be implemented:

1. Referral to Disciplinary Review Hearing Office
2. **POSSIBLE RECOMMENDATION TO THE SCHOOL BOARD FOR EXPULSION**

*A prior drug and/or alcohol offense that resulted in expulsion will be regarded as a “First Offense” for the purposes of determining whether the consequence for a “Subsequent Drug and/or Alcohol Offense” is applicable.*

2. **Possession with Intent to Sell or Distribute**

It is the policy of the Henrico County School Board to maintain a working and learning environment which provides for fair and equitable treatment, including freedom from sexual harassment, for all its employees and students.

Sexual harassment under Title IX is defined as unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectionably offensive that it effectively denies a person equal access to the educational program or activity. The Code of Student Conduct prohibits Sexual harassment under Title IX as well as inappropriate sexual behavior including the distribution of obscene materials, any unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal, written, electronic, or physical conduct of a sexual nature that creates an intimidating, hostile, or offensive environment. A student shall not sexually harass another student or any school employee, volunteer, student teacher, or any other person present in school facilities or at school functions.

It is prohibited for any student or employee, male or female, to harass another student or employee by making unwelcome sexual advances or requests for sexual favors, or engaging in other verbal, written, electronic, or physical conduct of a sexual nature. Conditions may include, but are not limited to:

1. submission to or rejection of such conduct is used as a basis for academic decisions affecting the student;
2. such conduct creates an intimidating, hostile, or offensive working or learning environment; or
3. submission to such conduct is made either explicitly or implicitly a term or condition of the individual’s employment or participation in school programs.

Examples of activities which could constitute sexual harassment or sexual misconduct include, but are not limited to:

1. unwelcome leering, sexual flirtations, or propositions;
2. unwelcome sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions;
3. graphic comments about an individual’s body or overly personal conversation;
4. targeted sexual jokes, stories, drawings, pictures, or gestures toward others;
5. spreading sexual rumors;
6. inappropriate or suggestive sexual gestures;
7. cornering or blocking of normal movements;
8. displaying sexually suggestive objects in an educational environment or online;
9. displaying sexually explicit behavior; or
10. stalking, dating violence, or domestic violence based on sex.

The question of whether a particular action or incident is prohibited behavior requires a determination based on all the available facts in the matter. Any student who believes he or she has been subjected to inappropriate sexual behavior should immediately report their concerns to their Principal. In addition, any student who believes that he or she has been subjected
to sexual harassment by another student or employee should immediately contact the Title IX Coordinator. The Title IX Coordinator can be reached via mail, email, telephone or in person.

**BAP5/A2T/Cat. 1:** Truancy

**BSC24/A3T/Cat. 1:** Leaving Without Permission

Students are expected to arrive at school and all classes on time every day.

**A. Excessive and Unexcused Tardiness or Absences to School or Class**

Students are expected to attend all assigned classes every day. Absence from class includes late arrival, early dismissal or being missing from any class. Justifiable reasons for non-attendance should be submitted to the school for each absence, late arrival, or class absence. Absences from class require approval from an administrator. Unexcused tardiness and/or skipping class are considered violations of compulsory attendance.

**B. Compulsory Attendance**

When a student accumulates five (5) unexcused absences, the parent or guardian will be contacted, and a meeting will be scheduled to jointly develop a plan to resolve the student’s nonattendance. If the student is absent for more than one (1) additional day after a plan has been developed to resolve the absences, a school conference will be held with the administrator or his/her designee, parent or guardian and the student (if appropriate). The school conference will be held no later than 10 school days after the student’s 10th absence.

The conference team will monitor the student's attendance and may meet again as necessary to address concerns and plan additional interventions. If attendance does not improve, a referral will be made to the attendance officer.

Upon receipt of a referral, the attendance officer will schedule a conference with the student and his/her parent or guardian within 10 school days. Following this conference, the attendance officer may file a complaint with the juvenile and domestic relations district court, alleging the pupil is a child in need of supervision or in institute proceedings against the parent.

**C. Truancy**

All student absences are considered unexcused unless the parent either calls the school or sends a written note to provide a justifiable reason for the absence within 24 hours of the absence. Acceptable excuses include the following:

- Illness of student.
- Serious illness in family which necessitates absence of student.
- Death in family.
- Special and recognized religious holidays.
- Other reasons approved by principal.

Students with early dismissals must sign out prior to leaving school. B. Students who arrive at school before school opens or remain after the close of their school day without specific need or appropriate authorization and supervision may be considered trespassers.

C. Any student who is requested by an administrator to leave school property is expected to do so immediately. Failure to do so may be considered trespassing.

It is the policy of the Henrico County School Board to maintain a working and learning environment which provides for fair and equitable treatment, including freedom from sexual harassment, for all its employees and students. Sexual harassment under Title IX is defined as unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectionably offensive that it effectively denies a person equal access to the educational program or activity. The Code of Student Conduct prohibits sexual harassment under Title IX as well as inappropriate sexual behavior including the distribution of obscene materials, any unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal, written, electronic, or physical conduct of a sexual nature that creates an intimidating, hostile, or offensive environment. A student shall not sexually harass another student or any school employee, volunteer, student teacher, or any other person present in school facilities or at school functions.

Examples of activities which could constitute sexual harassment or sexual misconduct include, but are not limited to:

1. unwelcome leering, sexual flirtations, or propositions;
2. unwelcome sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions;
3. graphic comments about an individual’s body or overly personal conversation;
4. targeted sexual jokes, stories, drawings, pictures, or gestures toward others;
5. spreading sexual rumors;
6. inappropriate or suggestive sexual gestures;
7. cornering or blocking of normal movements;
8. displaying sexually suggestive objects in an educational environment or online;
9. displaying sexually explicit behavior; or
10. stalking, dating violence, or domestic violence based on sex.

The question of whether a particular action or incident is prohibited behavior requires a determination based on all the available facts in the matter. Any student who believes he or she has been subjected to inappropriate sexual behavior should immediately report their concerns to their Principal. In addition, any student who believes that he or she has been subjected to sexual harassment by another student or employee should immediately contact the Title IX Coordinator. The Title IX Coordinator can be reached via mail, email, telephone or in person.
Any student who is found after an investigation to have engaged in sexual harassment of another student will be subject to disciplinary action appropriate to the offense from a short-term suspension up to a recommendation for expulsion.

Procedures in the Disciplinary Process

Appeals:
A decision to suspend a student may be appealed by the student or parent/guardian. An appeal of any suspension shall not hold the suspension in abeyance; meaning, a student shall remain on out-of-school suspension while awaiting the appeal. Failure to file a written notice of appeal within the prescribed time will constitute a waiver of the right to appeal. A student or parent/guardian may appeal a suspension to the principal of the school, then to the Superintendent’s designee, the Director of Disciplinary Review Hearing Office (DRHO), in the following manner:

- **In-School Suspensions/Bus Suspensions**
  - In-school disciplinary actions and/or bus suspensions taken by a school administrator other than the principal may be appealed in writing, within two (2) working days of verbal or written notification (to include electronic notification) of the suspension, to the principal, whose decision shall be final. The principal shall render a decision within three (3) working days of receiving the appeal. If the initial action is taken by the principal, parents may appeal in writing to the DRHO, within two (2) working days of notification of the principal’s decision.

- **Out-of-school suspensions of 10 days or less**
  - A student or parent/guardian shall submit a written letter of appeal, which should include all supporting documentation, to the principal of the school within two (2) working days of verbal or written notification (to include electronic notification) of the suspension. The student or parent/guardian should state specifically the reason(s) for the appeal and consider the following before appealing a suspension: (A) do the facts warrant the suspension; (B) were the consequences appropriate for the behavior; and (C) were school and County procedures followed. The principal shall review the suspension, along with all of the evidence, and render a written decision within three (3) working days.
  - To appeal further, the student or parent/guardian shall submit written notice to the principal within two (2) working days of the principal’s decision to uphold the suspension, requesting that the principal forward the letter of appeal and all documentation to the DRHO for review. The principal shall review the appeal letter and forward the letter and documentation to the DRHO within two (2) working days. The Superintendent’s designee, the Director of Disciplinary Review Hearing Office (DRHO) shall review the information, gather additional information, and/or conduct a hearing if necessary, and render a decision. For suspensions of 10 days or less, the decision of the DRHO shall be final.

- **Out-of-school suspensions of more than 10 days (long-term suspensions and recommendations for expulsion)** - The DRHO may suspend students from school in excess of 10 school days or recommend expulsion to the School Board after the principal has provided to the student and/or the parent/guardian written notice of the proposed action, the reason therefore, and of the right to a hearing. A decision to suspend a student in excess of 10 days or the recommendation for expulsion may be appealed by the student and/or the student’s parent/guardian. A student shall remain on out-of-school suspension while awaiting the appeal. A student and/or parent/guardian may appeal a suspension in excess of 10 days or a recommendation for expulsion in the following manner.
  - When a student has been suspended more than 10 days or recommended for expulsion by the DRHO, the student and/or his/her parent/guardian may appeal that decision, first to the Chief of School Leadership. Such an appeal must be in writing and must be filed within three (3) calendar days of the decision to suspend in excess of 10 days. Failure to submit a letter within three (3) calendar days will constitute a waiver of the right to appeal. The
student or parent/guardian should state specifically the reason(s) for the appeal and consider the following before appealing a suspension: (a) whether the facts warrant the suspension; (b) if the consequences were appropriate for the behavior; and (c) whether school and county procedures were followed. If the student or his or her parent/guardian are not satisfied with the decision reached by the Chief of School Leadership, they have the right to a final appeal to the School Board, which shall be in writing. Such an appeal must be in writing and must be filed within 10 calendar days of the decision to suspend in excess of 10 days. Failure to submit a letter within 10 calendar days will constitute a waiver of the right to appeal. The DRHO shall record the date that the appeal is received and provide copies of the appeal to the Chief of School Leadership and the School Board Clerk.

The School Board shall, at its monthly meeting or work session, render a decision based on the record, the written appeal, and any information presented in a hearing before the Board.

- When a student or parent/guardian has requested a hearing before the School Board in his/her written appeal, the student or parent/guardian will be contacted by the School Board Clerk with the date, time, and place of the meeting or work session when the School Board will be acting on the appeal.
- The School Board shall consider the written appeal and any information presented in the hearing at its monthly meeting or work session and shall inform all parties of its decision within five (5) administrative days of the final vote.

Reassignment of Students Following a Criminal Charge or Conviction:

The Superintendent or his/her designee shall have authority to reassign a student who has been charged with, or found guilty of, a criminal offense relating to weapons, alcohol or drugs, or intentional injury to another person, to an alternative educational program pursuant to the provisions of section 22.1-277.1:1 of the Code of Virginia.

Upon finding that a student has been (1) charged with an offense relating to the Commonwealth's laws regarding weapons, alcohol or drugs, or intentional injury to another person, or (2) found guilty or not innocent of an offense relating to the Commonwealth's laws on weapons, alcohol, or drugs, or of a crime that resulted in or could have resulted in injury to others, or of an offense that is required to be disclosed to the Superintendent pursuant to subsection G of section 16.1-260 of the Code of Virginia, the Director of Disciplinary Review Hearing Office (DRHO), at the direction of the Superintendent, shall determine whether the student shall be required to attend an alternative education program in lieu of a regular education program with the general student population. If the DRHO determines that an alternative education placement is warranted, the following procedures shall apply:

- The DRHO shall notify the student and his/her parents in writing of the requirement to attend the alternative education placement. The written notice shall contain (1) the reason for the alternative placement; (2) the anticipated duration of the alternative placement or the conditions necessary for the return to the general student population; (3) the right to request a hearing on the alternative education placement decision within five days of the notice. The student shall not be allowed to attend school with the general student population at any time that the placement decision is under review. However, the student may attend the alternative program, without waiving his/her right for a review of the placement decision.

- Upon receipt of a timely request, the DRHO shall, within 10 days, conduct a hearing on the alternative placement decision. The purpose of the hearing shall be for the student or his/her parents to state the reasons why they disagree with the alternative placement decision. Written statements or reports relevant to the placement decision shall be added to the hearing record at the discretion of the DRHO. The presentation of witnesses shall not be allowed. The student or his/her parents shall have the right to bring legal counsel to the hearing.

- The student and his/her parents may, upon request, appear before the Superintendent, or his/her designee, the Chief of School Leadership, in advance of the decision whether to sustain the DRHO’s alternative placement decision. The student or his/her parents shall have the right to bring legal counsel to the meeting with the Superintendent or his/her designee. Based on a review of the written record developed by the DRHO and any information received in any in-person hearing, the Superintendent, or the Chief of School Leadership, if the Superintendent is unavailable, shall decide within five (5) days whether to sustain the alternative placement decision or allow the student to return to his/her current placement.

- If the alternative placement decision is sustained, the student and his/her parents shall be notified in writing of the decision. The written notice shall inform the student and his/her parents of their right to request a review of the placement decision by the School Board within five (5) days of the Superintendent’s notification.

- Upon receipt of a timely request for a School Board review, the Superintendent shall forward a copy of the entire record to the School Board for review at its next Work Session. Upon review of the record, the School Board shall decide whether to sustain the placement decision or allow the student to return to the general student population. The decision of the School Board shall be final.
Enrollment Meeting:

**Detention, long-term suspension, expellable offense, charge, or violation of the law** - A meeting must be initiated with the Disciplinary Review Hearing Office for any student seeking enrollment in Henrico County Public Schools who has been discharged from a detention facility; long-term suspended, who committed an expellable offense while attending another school, public or private; or been charged or found guilty of a violation of the law. The meeting will determine if the student will be allowed to enroll in HCPS. The DRHO’s decision will be final unless the parent files a written request for review by the School Board within 10 calendar days of the DRHO’s written decision. The School Board will make a determination based on the record. The DRHO will hold a re-enrollment meeting with all Exceptional Education students. Upon re-enrollment, the student’s IEP team will be convened at the student’s home school to determine the student’s placement, in compliance with state and federal special education law.

- Students currently enrolled in HCPS will only need an enrollment hearing by the DRHO if the time served in a detention facility is 31 days or more.
- The enrollment hearing will be held by the building principal or his/her designee for 30 days or fewer.

Readmission Meeting:
A meeting must be initiated with the Disciplinary Review Hearing Office for any student who has been expelled and seeks readmission. The parent may initiate contact with the Disciplinary Review Hearing Office to schedule the hearing 60 calendar days prior to the expiration of the 365-calendar-day expulsion time frame. The review will be based on written information only unless otherwise requested by the School Board. In the event approval for readmission is granted, the Superintendent/designee will determine appropriate school placement and the date of readmission. Refer also to policy and regulation 6-06-003, “Suspension and Expulsion.”

Search and Seizure:
School authorities reserve the right to conduct random searches of lockers, desks, computers, computer hardware and software, and other property, as well as individuals and their personal belongings. This action will be taken to protect the safety and security of the school environment. School authorities may also conduct a search when there is reasonable suspicion for believing that items will be found that violate the law or school policy, rules, and regulations. The search should be reasonable in scope, duration, and intensity in relation to the item being sought. Students shall be held responsible for all items in their lockers and vehicles. The locations at which searches of students and student property may be conducted are not limited to the school building or school property but may be conducted wherever the student is involved in a school-sponsored activity. If articles violate school policy, rule, regulation, or the law, they will be taken by an administrator. Illegal articles will be turned over to a police officer.

Automobiles - Parking on school grounds is a privilege. All personal vehicles parked on school property may be searched as a part of a random search or with reasonable suspicion. Parking on school property shall be deemed a consent to such search.

Canines - In an effort to ensure that each school maintains a safe environment, police dogs may be brought onto school property to inspect school premises, including, but not limited to, students, lockers, desks, backpacks, instrument cases, handbags and vehicles.

Metal Detectors - School officials may conduct random metal detector searches at any regular or extracurricular school event. School authorities may also use metal detectors for searches when there is reasonable suspicion that the search will disclose the possession of items which violate law or school policy, rules, and regulations. A uniform procedure described in School Board regulation will be used or all metal detector searches. Refer to policy and regulation 6-04-003, “Search and Seizure.”

Surveillance Cameras - Surveillance cameras may be used on buses, in school facilities, and around school grounds in order to monitor and maintain order, discipline, and school safety.
