

Henrico County Gifted Education Advisory Council 2019-2022

The Henrico County Gifted Education Advisory Council (GEAC) is composed of parents, teachers, administrators, support staff, community representatives, and student representatives, dedicated to the study of gifted education in HCPS. The Council examines issues and advises the School Board, parents, and community on gifted education. **Meetings are held five times annually at 6 PM.** During these meetings written reports are prepared for the School Board to enhance gifted education in Henrico County.

The GEAC includes parent representatives from each magisterial district who serve three-year terms. Each year 1/3rd of the representatives rotate off of the Council as their term ends and occasionally others may be unable to complete their term. This change may result in a 1 or 2-year term. If you are interested in being considered for a term on the Henrico County Gifted Education Advisory Council for the vacancy in your district, please fill out the lower portion of this sheet and return it to the Henrico County Gifted Education Office **by April 30, 2019.**
