

Date	What's Happening
April 14 - June 12	<p>All pre-K students will be provided with optional opportunities for literacy and mathematics review and enrichment. They can also use "choice boards" for social-emotional learning and fine/gross motor skill development.</p> <p>All K-5 students will be provided with optional opportunities for review and enrichment that support connections to previously taught material. They will also have opportunities that extend the "6 C's" skills and attributes within the Henrico Learner Profile, including social-emotional learning.</p> <p>All students in grades 6-12 will be provided with continued optional opportunities for review and enrichment of content that was previously taught. This will be delivered in Schoology by the current class teacher for classes in which the student was enrolled. Social-emotional learning modules will also be available.*</p> <p><i>*Please note, during this window if students move on to grade recovery or new learning (as outlined below) they will not be expected to engage in review and enrichment.</i></p>
April 14-24	<p>Students in grades 6-12 who would like to improve their final MP3 grade may complete recovery assignments in Schoology on previous MP3 content. Students must complete and submit all recovery assignments, as assigned by their teachers, by Friday, April 24 at 4 p.m.</p>
April 14 - May 5	<p>Middle and high school teachers who teach a high school credit-bearing course will plan and develop learning experiences that address essential missing content that would have been taught after March 13, 2020.</p>
May 6 - June 12	<p>Students on track to graduate in June 2020 who are currently enrolled in (or who have not completed) a U.S. or Virginia history course, a fine or performing arts course, a Career and Technical Education course, a second of sequential electives, and/or an economics and personal finance course will engage in <i>required</i>* new learning experiences. This includes essential missing content that would have been taught after March 13, 2020, in order to earn the standard credit for the course. This content will not be graded, however there will be a denotation on the transcript that will be removed upon completion of the missing content/new learning modules.</p> <p>All other students (middle and high school) <u>currently enrolled in a high-school credit-bearing course</u> will engage in <i>required</i>* new learning experiences that will include essential missing content that would have been taught after March 13, 2020. This content will not be graded, however, there will be a denotation on the transcript that will be removed upon completion of the missing content/new learning modules.</p> <p><i>*Students who are unable to complete the modules during this window will have another opportunity in the 2020-21 school year. Students enrolled in a course with an associated verified credit (e.g., related SOL) who need the associated verified credit to meet graduation requirements and have received the standard credit will be awarded a Locally Awarded Verified Credit (LAVC).</i></p>
