

# Free school meals for students!

HCPS has answered the challenge of a highly unusual school year with plans to get free breakfasts and lunches to students using two distribution systems. HCPS will offer free curbside pick-up service at all HCPS schools, plus we will distribute free meals directly to 61 stops in Henrico County neighborhoods, using school buses.

## Among the features of the HCPS plan:

- Free meals are available to any child 18 or younger at all HCPS school locations and identified bus stops.
- Parents and guardians can pick up meals at any HCPS location regardless of where their student is enrolled.
- Parents and guardians don't need to provide student names or I.D. numbers to receive meals.

## School curbside service

Distribution of free meals will take place at all elementary, middle and high schools.

- Monday through Thursday (Friday meals are distributed on Thursdays.)
- 7-9 a.m.: Hot breakfasts (when available) and cold lunches.
- 11:30 a.m. to 1:30 p.m.: Hot lunches as well as cold breakfasts for the next day.

## Neighborhood distribution using school buses

HCPS buses will distribute free school meals to neighborhoods two days a week. Modifications are possible, based on demand and other logistical factors. Participants should follow social distancing and mask guidelines at bus stops.

- Mondays and Wednesdays. On Mondays, buses will distribute meals for Monday and Tuesday. On Wednesdays, breakfasts and lunches will be distributed for Wednesday, Thursday and Friday, as well as Monday breakfast.
- Buses will make 30-minute stops at each location, between 11:30 a.m.-1:30 p.m.
- List of bus stops is below.
