

Under provisions of the Office of Civil Rights and the Department of Justice, all US school divisions are required to identify English learners in need of language assistance services. This Home Language Survey is given to all parents/guardians at the time of enrollment to help identify students to be assessed for English proficiency. Results of the assessment determine if there is need for English language acquisition services.

Section A: Demographics

School: _____ Child's Name: _____

Child's Date of Birth: _____ *Age: _____ Grade Level: _____

Parent/Guardian Name(s): _____ Date: _____

Section B: Home Language

1. What is the primary language(s) used in the home, regardless of the language spoken by the student?
2. What is the language most often spoken by the student?
3. What is the language that the student first acquired?
4. In which language would you prefer to receive written school communication?
5. In which language would you prefer to receive oral school communication?
