

Making House Calls- Mobile Urgent Care

When you or a loved one aren't feeling well, the thought of having to get dressed, drive to the doctor and sit in a crowded waiting room isn't very appealing. Wouldn't it be nice if doctors returned to the days of the house call? With Dispatch Health, you can have a trained medical professional come to your home in just a few hours. Requesting care is easy; visit dispatchhealth.com, call 804-495-0053 or download the mobile app in the App Store or Google Play to make your appointment.

Dispatch Health has trained medical professionals available from 9AM-9PM 7 days a week, 365 days a year including holidays. They can diagnose and treat common ailments, like cold or flu, to more complex injuries and illnesses such as cuts that need stitches, strains or sprains and more. Dispatch Health will treat anyone aged 3 months and older. This is a great option when your primary physician isn't available.

Dispatch Health can help relieve stress and allow you to receive the care you need from the comfort of your home. Imagine being able to stay tucked under a blanket on the couch, watching your favorite Netflix series while you wait for your medical team.

The cost of a medical visit for the Premier POS plan is \$40 and the Standard is \$45. For the High Deductible Health plan, medical visit is subject to deductible.
