

## P10-08-002 School Attendance Zones

**The Henrico County School Board is vested with the authority to provide for the consolidation of schools, redistricting of school boundaries, and to adopt student assignment plans whenever such procedures will contribute to the division's overall instructional and programming effectiveness and/or operating efficiency.**

~~The Planning Office or a citizen committee appointed by the School Board shall recommend to the Superintendent the boundaries for school attendance zones. Recommendations shall be based on factors such as program needs, capacities of available facilities, transportation patterns as indicated by the Department of Pupil Transportation, and legal advice, when appropriate.~~

~~The recommended School attendance zones are subject to change; modification by the School Board and all~~  
**School attendance zones may not be changed without the approval of** ~~the School Board may not be changed without approval.~~

Refer to Regulation [10-08-002](#), "Objectives and Guiding Principles for the Establishment of School Attendance Zones," and Regulation [6-03-011](#), "School Assignments/Variance Procedures."
