

P10-08-004 Facilities

The **Planning Office** ~~Department of Assessment, Research, and Evaluation~~ shall make projections of the timetable and location of needed additional facilities or reduction in current facilities. Such projections shall have taken into consideration factors of:

Land use determinations

Henrico County-approved current or future plans for new development

Expansions of roads and utilities systems

Industrial developments

Residential developments

Historical Enrollment Trends

Birth Rate trends

Actual census data

Transiency of families of school-age children

Attrition to non-public schools

Instructional program needs

Refer to Policy [9-15](#), "New Facilities."
