

## **P11-10-002 Volunteer Program**

Volunteers make a valuable contribution to the educational program. Volunteers can serve as classroom aides, clerical assistants, tutors, chaperones, resource people in a given area of expertise, and other areas as necessary.

~~We encourage~~ The assistance of interested **family parent** and community volunteers who can contribute to the enhancement of instructional practices as well as provide additional opportunities for students to participate in activities that augment school experiences **is encouraged**.
