

## **P6-06-004 Suspension of Bus Riding Privileges**

The principal or designee may suspend a **student pupil** from riding a bus as a result of improper conduct thereon, or at designated bus stops. Advance notice must be given to the parents and the Department of Pupil Transportation. Such suspension should be for a definite period of time. Suspension from riding a bus does not excuse a **student pupil** from attendance. Improper conduct may also result in other disciplinary responses including both school suspension and expulsion.
