

P6-10-004 Use of Automobiles

Students who drive automobiles to and from high schools shall **have a valid driver's license and current vehicle registration** ~~be fully licensed drivers.~~ **Students in grades 6-8 may not drive automobiles to middle schools, regardless of age.** ~~Student vehicles shall be registered in accordance with the procedure of the local school and are subject to~~ **rules** ~~regulations of the student's local school.~~ **Students who park on school property must receive a school-issued parking permit and are required to follow the school's rules and procedures for parking on school property.**

Student vehicles parked on the school campus shall be parked in the assigned areas and shall not be occupied or driven during the student's regular school day **without administrative approval**. If there are insufficient parking spaces on the campus to accommodate the requests, parking spaces will be assigned on the basis of criteria developed by the principal.
