

P6-11-003 Other Sale of Food Items
(Revised ~~July, 2008~~ **June, 2019**)

Elementary schools sell a limited number of à la carte food and beverage items as approved by the Director of School Nutrition Services. Food and drink may not be dispensed through vending machines to elementary school students.

Sale of food and drink items in middle schools and high schools is restricted by the following:

1. Food and drink shall not be sold to students during the hours of the regular school day, except through School Nutrition Services. For purposes of this section the regular school day is defined as ~~12:01 midnight until after the last lunch period.~~ **from 12:01 am until 30 minutes after the last school bell.**
2. The Principal must approve the installation of vending machines which are used at times other than during the regular school day.
3. All funds related to school vending machines must be included in the school's internal accounting system. Refer to Policy [6-12-002](#), "Activities Fund Management."
4. All funds related to School Nutrition Services vending machines must be included in School Nutrition Services' internal accounting system.

Refer to Policy [6-14](#), "Solicitations."
