

P6-13-005 Out-Of-School Work

~~Out-of-school work performed by regularly enrolled students is restricted by the following:~~

~~A. No more than half of the school day, either morning or afternoon, may be spent in work outside the school.~~ **Student work hours performed outside of school shall comply with Child Labor Laws.**

~~B. Students not involved in the Cooperative Education Program must register place of employment when requesting half day dismissal from school.~~

EB. Students involved in the Cooperative Education Program must satisfy the requirements of that program and must be supervised by a teacher-coordinator. Refer to Policy 7-10, "Career and Technical Education Programs."
