

P7-09-001 Grading System

Teachers shall evaluate student progress periodically. Letter grades and other symbols may be used.

The staff shall ensure that explanations of the grading system being used have been communicated to students and parents. Teachers shall be prepared to interpret the meaning of the grades that have been assigned.

There shall be a system-wide uniformity in the grading symbols within courses in which grades are recorded in the electronic student information system.

Last Revised April 2016

Refer to Policy 6-06-006, "Lowering of Grades."

Refer to Regulation 7-09-001, "Guidelines for Grading and Reporting."
