SCHOOL AND COMMUNITY PROFILE

J.R. Tucker High School is one of nine high schools in Henrico County. The school has more than 124 faculty and staff members (104 of whom are teachers) who serve approximately 1,685 students. Students have the opportunity to explore a wide range of academic and elective courses, including access to two technical centers. Tucker houses the Center for Spanish Language & Global Citizenship, the International Baccalaureate Programme (IB) and the Advance College Academy (ACA).

ACADEMIC CHARACTERISTICS

The school year is divided into two semesters. A semester is 18 weeks with two nine-week reporting periods. Seven classes meet on a modified block schedule. The curriculum provides a variety of course offerings including:

Specialty Center: Advance College Academy

The Advance College Academy (ACA) is a partnership between Henrico County Public Schools and Reynolds Community College. Students in the program complete an Associate of Science degree in Social Sciences while concurrently satisfying the requirements for an Advanced Studies diploma.

Specialty Center: Center for Spanish Language and Global Citizenship

At the Center for Spanish Language and Global Citizenship, students take immersion Spanish classes during all four years of high school. In addition, students take at least one year of another world language and have the opportunity to travel and study abroad. Students gain a respect for the diversity of languages, backgrounds and values. Students expand their insight into the structure of the English language.

Specialty Center: Center for International Baccalaureate

The Middle Years Program provides the framework of academic challenge with a focus on student-centered learning, critical thinking and international mindedness. The Diploma Program provides a rigorous course of study. Students study six subjects chosen from the school's offerings as well as three core requirements that are designed to challenge and to broaden the academic experience.

GPA and CLASS RANKING

Class rank and grade point average are determined by the levels of courses taken and the grades earned in those courses. Grades earned in courses completed in middle school that were awarded a high school credit will not be computed as part of the high school cumulative GPA. High school courses completed during the summer before entering ninth grade will be included in the GPA. Students are ranked numerically in ascending order, according to GPA, at the end of the junior year and at the end of first semester of the senior year. Students who are earning either a Standard or an Advanced Studies diploma are included in class rank. Beginning with the class of 2017, total grade points include an additional 0.5 quality point for any honors/IBMYP and a 1.0 quality point for any AP/IBDP/dual-enrollment class taken.
